Notice to all customers with a pending I-130 petition - USCIS is now processing Form I-130, Petition for Alien Relative, as a visa number becomes available. Filing and approval of an I-130 relative petition is only the first step in helping a relative immigrate to the United States. Eligible family members must wait until there is a visa number available before they can apply for an immigrant visa or adjustment of status to a lawful permanent resident. This process will allow USCIS to concentrate resources first on cases where visas are actually available. This process should not delay the ability of one's relative to apply for an immigrant visa or adjustment of status. Refer to www.state.gov/travel <<http://www.state.gov/travel>> to determine current visa availability dates. For more information, please visit our website at www.uscis.gov or contact us at 1-800-375-5283.

Always remember to call customer service if you move while your case is pending. If you have a pending I-130 relative petition, also call customer service if you should decide to withdraw your petition or if you become a U.S. citizen.

Please see the additional information on the back. You will be notified separately about any other cases you filed.

To Whom It May Concern:

I have received this letter from **you several times** and I know for a fact that I have already sent you everything you've requested (i.e. medical form and biographic information sheet). Please do NOT send me any more duplicate notes and please process this application!

If you believe I've made an error on any of my forms, please indicate EXACTLY what it is that I need to fix.

I am getting frustrated with a lack of progress on my application since I have sent you all the evidence several months ago. I hope to receive a prompt response or I will be forced to speak with my immigration attorney.

Best Regards,

Inna Pikulenko.
